Half Filing Cabinet, Half Media Cabinet - 100% Eco-Friendly

With Can-Am, your filing cabinets don't have to look like filing cabinets - they can look like furniture. COM3D27 provides function and form and with the flexibility of 6" and 12" drawers, it offers a lot of flexibility and storage opportunities. As with all our modular cabinets, it integrates seamlessly into virtually any configuration. This cabinet will line up with all 27 series cabinets and stack with any standard width cabinet. And like all Can-Am cabinets, COM3D27 should last a lifetime, but since steel is recyclable, it will never end up in a landfill. Even our powder coat finish is VOC-free and eco-friendly.
