

A '14 Series' Cabinet

Two Drawers, hundreds of possibilities

MC2D14 holds 540 CDs or 240 DVDs or Blu-ray in standard packaging - 1,100 disc in slimline cases and over 2,000 in sleeves. It is very useful in configurations to meet certain height objectives. MC2D14 is sized like all 14.5" high cabinets. And like all our drawer cabinets, it comes with a lock.

They're not just for CDs and DVDs either - Imagine all the things you could put into six inch deep drawers. With 100 lb of capacity per drawer and full-extension ball-bearing sliders, MC2D14 can hold it all and provide access to every inch. A safety interlocking feature allows only one drawer to open at a time. For your convenience, all cabinet locks are keyed alike.
